A diplomacy of hope is, in the end, a diplomacy of justice, without which there can be no peace. The Jubilee year is a favourable time to practice justice, forgive debts, and commute the sentences of prisoners.

## Support the Collection for the Church in Latin America

In the 13th century, St. Francis and St. Clare said yes to the Lord's call to renew the Church in Assisi, Italy, through lives of prayer, peace, and love for the poor. Their example inspired the men and women of their time to embrace the Gospel and dedicate their lives to God as religious brothers and sisters.

Nearly 800 years later, women continue to answer God's call following St. Clare's example by taking up lives of prayer at the Monastery of St. Clare in the Dominican Republic. Women who enter the monastery begin a formation process that encompasses prayer, study, and adaptation to separation from the world in a cloistered community. With funding through the Collection for the Church in Latin America, the monastery has been able to cover the food, clothing, and educational expenses for 18 sisters in various stages of formation.

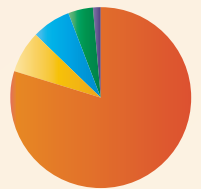

Vocations to religious life are fulfilled through the prayers and contributions that sustain men and women religious in their mission. Helping the sisters at the Monastery of Saint Clare say yes to God's call is just one of the many positive impacts made by your support for the Collection for the Church in Latin America in strengthening the relationship between Catholics in the United States and those in Latin America and the Caribbean.

For more information about how donations help the Church in Latin America, visit [www.usccb.org/latin-america](http://www.usccb.org/latin-america).
